Gentlemen:

RE: R.D.M. & S. Company
P.O. Box 314
Orem, Utah 84057

The above referenced company has indicated the desire to establish an open pit Limestone quarry operation in the Southeast portion of Tooele County, in the Tintic Mining area, to mine and ship crushed Limestone.

Tooele County is desirous of encouraging this development. We feel this is compatible to other mining operations within the geographic area.

Your favorable consideration will be appreciated.

Sincerely,

James R. Palmer
Tooele County Commissioner
